From The Office:

As we near our break, I want to take this opportunity to thank all of our community members for their unyielding efforts to make Madison a premier educational institution. The efforts of our staff have been fantastic and their dedication to the success of all students has been fantastic. Our students are growing before our eyes and learning valuable skills that will serve them well in their bright futures. Our parents have grown with us and supported us as we constantly improve with their tireless volunteer assistance.

Times are tough and we are uplifted by the exhibitions of community service and generosity evident each day within our walls.

As you gather with family and friends this holiday season, please take care and take time to show those around you that you truly care. It is not with gifts that we best express our feelings but with shared time, warm memories, and collective hope.

Return to Madison safely. We look forward to a wonderful new year.

Principal

HAPPY NEW YEAR

Big Thanks!

Some thanks are due to the people who helped put on the Holiday Concert on Thursday, December 17th at the Central Church of the Nazarene. Thank you to all staff members and parents who helped make things flow smoothly. Thank you especially to Sarah Ricketts for organizing everything at the concert location. The concert would not have gone so well without the support of the Madison community!
